The Tower

1974

Saint Michael's College School

Toronto Canada

Under the Direction
of
The Basilian Fathers

Foreword

In our 1974 edition of *The Tower* we hope that you will find preserved records of golden days, of days filled with great thoughts, great causes, great works, great heroes, great loves, great joys, great sorrows, great satisfactions, and great disappointments, and yet always of great fun. Men and women, ideas, emotions, experiences and events have in these years been on an heroic scale. Your mind and spirit have been free as never before in your life and as perhaps never again. Will you ever again be as confident that, like Archimedes, given a good fulcrum and an adequate lever you can lift the world? Will you ever again have as much fun? All these experiences have in some measure been captured and displayed in your yearbook. Hang on to them. Don't let them escape. They will lift up your heart many times, when it is burdened with the cares of the day. Perhaps they will help you to live on a heroic scale, even to be a hero yourself. And God knows, we need heroes.

The Graduates

of

1974

Five years at Saint Michael's College School do not represent a lifetime of learning; these years are but a moment in a greater tradition. As graduates of Saint Michael's we will not have learned the answers to all problems besetting mankind in this age of complexity. Rather our Christian outlook has enabled us to emerge positively into a world of never ending enquiry. This is the true meaning of Saint Michael's and its graduates -- the ability to perceive the unanswered.

We have a few pictures here and elsewhere dealing with these sporting events. Father is not only the organizer, but he does all of the instructional work dealing with these activities. Besides those events pictured here he also has a great interest in skiing, curling, sewing; you name it, and he can do it. The "young-uns" think it's great and they turn out early in the morning and during the noon hour break to participate in, and enjoy, these extracurricular activities.

THE JUNIOR BLUE RAIDERS --- T.D.C.A.A. CHAMPIONS

This group of athletes is to be seen on page 100. On March 5th the Blue Raiders won the Junior Championship and they should be represented again as such. In a 'thriller' they defeated Chaminade by two points in a "Home-and-Home Series". The winning basket was scored with but five seconds of the second game remaining. We are still "NUMBER ONE". Congratulations! It was a great season.

You needn't be wealthy to warrant a Will! In fact, the less you have to leave your loved ones, the more important it is to conserve it and make the most of it.

Canada is like you– young, strong and healthy

...and with your help, it'll stay that way.

We're lucky. We live in a country that still has all kinds of good things going for it. Clean air, wide open spaces, untapped resources, and young people who care. You're still in your teens and already you're a lot more involved than we ever were. You shake us and make us learn. And we like the feeling. If you're graduating, congratulations. Wherever you're going, keep growing and caring. Canada needs your continued concern.
